28th August 2023

Dear Parent / Guardian

GRADES 8 – 11, THIRD TERM CONTROLLED TESTS – SEPTEMBER 2023

Cordial greetings to all. Planning for the Term Three Controlled Tests has been finalised and parents are hereby informed of the following with regard to the Controlled Tests for all learners in grades 8 to 11. The Term Three Controlled Tests will commence on Friday, 22nd September 2023 and terminate on Thursday, 28th September 2023.

Term ending Controlled Tests are a key component of a learner's continuous assessment (CASS) marks for the year and hence learners are urged to prepare earnestly for these tests. These Controlled Tests, in all subjects, are a part of the formal assessment programme for the 2023 academic year and will be written under strict examination conditions.

It is therefore imperative for parents to take note of the following provisions and to very closely monitor their child's preparation for the controlled tests.

1. During this period school will operate as normal. The daily schedule of the school will be adjusted to provide for two test sessions per day. Commencement and closure times for the school day will remain the same. Learners are required to attend school for the full duration of the day. **Leave will NOT be granted to any learner.**
2. Learners are requested to arrive at school as per the normal school times. Any learner arriving late for a test **will not be given extra time** to complete the test.
3. Kindly ensure that your child / ward has revised adequately and comes fully equipped with the necessary stationery e.g. pens; pencils; rulers; calculators etc. Borrowing of such items during the test session will not be allowed under any circumstance.
4. If a learner misses a test, he or she is required to **produce a medical certificate** in support of his/her absence on the day he/she returns to school. Failure to do so will result in the learner being given zero for the test. This is in accordance with Provincial examination policy and exceptions cannot be entertained.
5. Any form of dishonesty during a test will result in the learner being given zero for the test. This is also in accordance with the Provincial examinations policy. Dishonesty includes learners being in possession of any form of notes, programmable calculators, palm-sized computers, cell phones or smart watches during a test, whether they are seen to be referring to these or merely have them in their possession. Your child/ward is advised not to have these items at school during the controlled tests, or to hand them in for safekeeping before the test session commences.

6. Please note that should your child / ward be guilty of an irregularity during the test session, he/ she will have to be accompanied to school by his/ her parent/guardian before he/ she is allowed to sit for the next test. Parents will be notified telephonically of any misdemeanour during the controlled tests.

7. The timetable for the Third Term September Controlled Tests is printed on the reverse side of this letter.

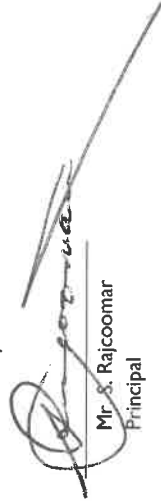

8. Learner reports for Term Three will be released to parents on Saturday, 21st October 2023

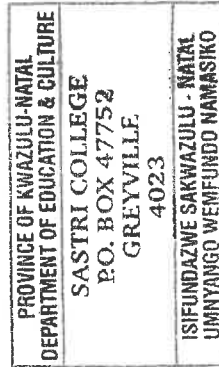

9. The current school term ends on Friday 29th September 2023 and school will reopen for the fourth and final term of the 2023 academic year on Tuesday 10th October 2023.

10. School closes at 10:30 on 29th September 2023.

Thanking you for your co-operation.

Yours sincerely

Mr. S. Rajcoomar
Principal

SASTRI COLLEGE

SEPTEMBER CONTROL TEST - TIMETABLE - 2023
