Study Venue

A number of our learners spend the afternoons at school while waiting for transport/parents to pick them up. Many of these learners use the time to study and do homework at the picnic benches around the campus. However, the weather is not always favourable and in order to make it more comfortable for these learners, we have decided to make a classroom (The Sunroom) available to them for study purposes.

The following rules will apply:

- Learners need to sign up with their Grade Heads in order to be allowed to use the venue. When learners sign up they need to provide a copy of this letter signed by their parents (see below).
- Only learners who have signed up will be permitted to use the venue. If other learners are found to be in the venue or if the venue becomes a space for socializing instead of studying, the venue will no longer be made available.
- Learners who make use of this venue are expected to respect it and to leave it in the state that they found it. If it is found that learners are not cleaning up after themselves, switching off lights etc. the venue will no longer be made available. If a learner who uses the venue becomes aware of others who are not abiding by these rules, they are to take note of the time of the incident and report it to their Grade Head the following day.
- The study venue is not a supervised homework session, but the classroom is equipped with a CCTV camera. There will be no teacher available to monitor/help learners. The venue is made available purely so that learners do not have to sit outside while waiting to be fetched.
- The venue will be available Monday to Thursday from 14h00-18h00 and 14h00-16h00 on a Friday or the day before a public/school holiday. The venue will not be open on the last day of term.

Permission Slip:

I,....., the parent/ guardian of

..... in Gr...../.....

give permission to my child to make use of the study venue. I have read the rules explained in this letter and agree to the conditions set out therein.
