

IMPORTANT NOTICE: CONCESSIONS

If your child experiences a barrier to learning and requires assessment accommodations, the school needs to submit an application to the education department on their behalf.

In order to do that, all supporting documents (eg. psychologist's report; doctor's letter etc.) need to be submitted to **Ms Neethling** (neethlings@stirlinghs.co.za) no later than **10 March 2025.**

If your child is a first time concessions applicant and you have not yet made contact with the school, please do so as soon as possible.

Regards
Stirling High SBST
